

OZARK FLYERS

AMA CHARTERED CLUB # 743 MEMBERSHIP APPLICATION

The Ozark Flyers are a group of model aviation enthusiasts who meet to build, fly, and discuss the hobby/sport of radio control model aircraft. We are primarily a fuel powered club, although several members enjoy electric powered aircraft and helicopters. Our monthly meetings are held at the flying field during the warm months and inside during the winter months on the second Monday of each month at 6:30 PM. The exact location of our monthly meetings is posted on our website @ ozarkflyers.org. and a monthly notice is sent to all current email addresses provided to the club.

We are a charter member of the Academy of Model Aeronautics (AMA) and require membership in that organization to obtain membership in our club. AMA membership covers our and your insurance liability with the city of Fayetteville, AR the owner of our flying field. AMA application and membership must be made direct to AMA per their requirements.

There is an initiation fee that is to be paid one time upon your initial joining. Club dues are to be paid annually and are due on January 1 of each calendar year. Your first annual dues may be prorated if joining during a calendar year at the discretion of the administrating officer.
